Community Coordinated Care for Children, Inc. (4C)

Request for Proposals

Integrated Communications System to include Voice Services, Internet/Data and Necessary Equipment and Hardware.

Release Date: 7/22/20
SECTION 1: INTRODUCTION

1.1 STATEMENT OF NEED

Community Coordinated Care for Children, Inc. ("4C") is a private, non-profit organization providing child care resource and referral services to children and families since 1969. 4C believes every child deserves the right to a bright and successful future by ensuring that children are in school readiness programs that promote their healthy growth and development by fostering professional excellence through training, technical assistance, and resources for child care, early intervention, and other early childhood programs.

Our staff is committed to providing quality services to children and families in Central Florida-Orange, Osceola and Seminole Counties.

4C is incorporated as a non-profit entity with 501(c) (3) status. 4C is a resource and referral agency for central Florida, and, in addition, oversees the Head Start programs in the Central Florida counties of Osceola and Seminole. Head Start ("HS") is a federally-funded program for less-advantaged three- and four-year olds and their families. Eligibility factors include such things as homelessness, foster care, low income, single-parent households, and children with disabilities.

Effective December 1, 2009, 4C was approved by the U.S. Department of Health and Human Services Administration for Children and Families to begin providing Early Head Start ("EHS") services in the counties of Orange, Osceola, and Seminole. EHS is a federally-funded program for less-advantaged infants, and toddlers – children from birth to the age of three. EHS also provides services to pregnant mothers, such as fetal development education and pre- and post-natal care.

In 2013, 4C accepted a grant for administration services for the Neighborhood Center for Children and Families ("NCF"). This partnership of community agencies operates in sites throughout Orange County.

1.2 STATEMENT OF PURPOSE AND TERM OF CONTRACT RESULTING FROM THIS REQUEST FOR PROPOSAL

The purpose of this Request for Proposal ("RFP") is to select a contractor to provide an integrated communications system to include voice services, internet/data and necessary equipment and hardware to the listed but not limited to 4C, NCF, HS and EHS sites in Orange, Osceola and Seminole Counties, Florida.

4C may contract for all or for each of the components described herein:
4C will be entering into one-year contract(s) for these services with the option to renew for two additional one year terms which may include modifications.

4C will have the ability to add/delete/change contracted service locations and configurations under the agreed upon terms and conditions of this contract at the agreed upon rates provided by the applicant for similar services delivered under this contract.

Assignments and Subcontracts

1. The Vendor agrees to neither assign the responsibility for this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of 4C which shall not be unreasonably withheld. Any sublicense, assignment, or transfer otherwise occurring, without prior approval of 4C shall be null and void.

2. The Vendor agrees to be responsible for all work performed and all expenses incurred under the contract including that work performed by the subcontractor. If 4C permits the Vendor to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the Vendor that all such subcontract arrangements shall be evidenced by a written document subject to prior review and comment by 4C. Such review of the written subcontract document by 4C will be limited to a determination of whether or not subcontracting is permissible and the inclusion of applicable terms and conditions of this Contract. The Vendor further agrees that 4C shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the Vendor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The Vendor, at its expense, will defend 4C against such claims.

3. 4C shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Contract to another Florida Office of Early Learning (OEL) Funded agency in the State of Florida, upon giving prior written notice to the Vendor. In the event 4C approves transfer of the Vendor’s obligations, the Vendor remains responsible for all work performed and all expenses incurred in connection with the Contract including that work performed by the subcontractor. In addition, this Contract shall bind the successors, assigns, and legal representatives of the Vendor and of any legal entity that succeeds to the obligations of 4C.

4. 4C shall retain the right to reject any of the Vendor’s or subcontractor’s employees whose qualifications or performance, in 4C’s judgment, are insufficient. In considering the Vendor’s and/or any subcontractor’s employee’s qualifications, 4C will act in good faith and not unreasonably.

The contract may also be affected by any changes in statute or rule that may arise during the contract period or by amendments to 4C’s annual Work Plan as approved by their Funders. The contract is subject to:

1. Availability of funds as determined by 4C in its sole discretion (taking into account all of the services the proposer is providing or may be required to provide), and,
2. Satisfactory performance of services as outlined in the contract.

4C may cancel or reduce services in the agreement with at least thirty (30) business days’ written notice to the service provider in the event funds for this service become unavailable/reduced or in the event of exigent circumstances. Said limitations, however, do not render the contract illusory because 4C is a non-profit organization that relies on state and federal funding and as such the contract will delineate the notice that 4C will provide the contractor to prevent issues of reliance. 4C is also a tax exempted entity.

4C issues this RFP with the explicit understanding that minor and major changes may be made, up to and including the option to rescind this RFP in its entirety, if such is in the best interest of 4C.

1.3 ELIGIBLE PROPOSERS

10. Where applicable, bidder should carefully examine work sites and specifications.

4C has the responsibility to ensure contracted costs are necessary, reasonable, and allowable as defined by State and Federal standards.

It is essential to the administration, coordination, availability, and delivery of School Readiness, Voluntary Pre-Kindergarten, Early Head Start and Head Start services that the Contractor be impartial in all matters. Therefore, 4C reserves the right to reject a Proposal where there will be a continuing or frequently recurring conflict between the Proposer’s private interests and the performance of the Proposer’s duties in the public’s interest.

This RFP does not commit or obligate 4C to award a contract, to commit any funds identified in this RFP document, to pay any costs incurred in the preparation or presentation of a Proposal to this RFP, to pay for any costs incurred in advance of the execution of a contract.

Payment for the provision of services from any contract award resulting from this RFP is contingent upon annual appropriation by the State of Florida Legislature and availability of any and all applicable federal funds.

Vendor agrees that 4C shall have the right to cancel or reduce services in the agreement with at least thirty (30) business days’ written notice to the service provider in the event funds for this service become unavailable/reduced or in the event of exigent circumstances.

Donations of in-kind services or discounts on the purchase of goods or services given specifically to 4C are tax deductible contributions. Please indicate the type and value of in-kind services, if offered, when responding to this purchasing request. In the event discounts are provided in pricing, please indicate the discount rate and/or amount separately on all quotes and on any resulting invoices.

4C furthermore reserves the right to:

1) Reject any and/or all Proposals in whole or in part as 4C deems is in its best interest.
2) Change or waive any provisions set forth in this RFP.
3) Return non-responsive Proposals without review.
4) Waive informalities and minor irregularities in Proposals received, as 4C deems appropriate.
5) Request additional data, technical or price revisions, or oral presentations in support of the written Proposal.

6) Independently determine that an arms-length agreement exists between the Proposer and any sub-contractors or vendors they might choose to use.

7) Verify any factual information as it is presented within the Proposal.
